### A

#### Academies

Academies are publicly funded independent schools. They are all ability schools established by sponsors from business, faith or voluntary groups. Academies have different governance arrangements to other schools. An academy's Funding Agreement sets out the details of the governance arrangements for each school.

#### Admissions (Code of Practice)

All state schools are required to have admission procedures which meet the School Admissions Code. Where more pupils apply to be admitted to a school than the school has room for, its over-subscription criteria will be applied. In community and voluntary controlled schools the Local Authority is responsible for admissions. In foundation and voluntary aided schools the governing body is responsible.

Academies Articles of Association allow them to appoint non-governors to committees and give them voting rights.

#### AST

#### ATL

#### Attainment targets

These establish what children of differing ability should be expected to know and be able to do by the end of each Key Stage of the Curriculum- each target is graded into eight levels through which pupils advance as they learn more.

#### AWPU

Age-Weighted Pupil Unit - the sum of money allocated to the school for each pupil according to age. This is the basic unit of funding for the school.
