

Kench Hill Centre has a group of Trustees who are Friends of Kench Hill

The Friends of Kench Hill exist to support the work of Kench Hill, Tenterden, Kent and to ensure that all Hackney children are able to participate fully in the experience of Hackney's own journey centre. In 2008, Kench Hill became a separate charitable organisation to secure its future and to take responsibility for its own running costs and the Journey Grant.

At present we are looking for new friends who value Hackney's good fortune in preserving the centre over the past 30 years. We encourage anyone interested, to become a friend, as well as to consider becoming a member of the Friends of Kench Hill committee. If you have any memory as well as admiration for the centre's work with students, special groups, private parties all profiting from the rural programme and organic food, we would welcome expertise in I.T., media, and public relations.
